Are you an animal lover, looking for a career doing something you love? Then we have a fantastic opportunity for you!

Paradise Pet is expanding our work force and has immediate openings for kennel workers. We are currently looking to fill some roles in the following departments...

Kennel Tech: This is the role where you really get to enjoy the dogs! You will be responsible for monitoring group play with our boarding and daycare clients. The easiest way to describe this job is.... you will be doing all things associated with having a dog. Cleaning up after them (Yes, this means cleaning up the 1's and 2's :), spraying their kennels, cleaning bowls, feeding, giving water, rotating out to potty, supervising their play!

This shift is Monday through Friday and also one day on the weekend (We have to take care of our dogs daily as they need us!) The weekend shift is a split shift and is from 5:00 AM until 10:00 AM, then 3:00 PM - 5 PM.

If you love animals and want to work as part of a like-minded team, then we have the right career for you! Paradise Pet is focused on customer service and exceptional animal care.

This role is dedicated to the care and happiness of our furry friends in the kennel. Professional experience is fantastic, but we also provide extensive and ongoing training for those people looking to start their career in animal care. These jobs do not come up often so apply today!

Paradise Pet offers its employees a unique and fun working environment, competitive pay, and significant employee discounts!!

To be successful in this role, you must have a passion for animals and animal health & well-being. We take a great deal of pride in our animal guests, creating a fun and safe environment, going home healthy and happy, and of course how they are cared for in our kennel. It is a lot of work caring for all our babies, it is not just playing with animals.
